Located in our Shul is a board which is available for inscribing and eternalizing the names of our departed loved ones.

Four times a year, on Yom Kippur, Succos, Pesach and Shavuos, a bulb will be illuminated next to your plaque LZecher Nishmas.

The initial cost for the inscription on a bronze plaque is \$360 for members. Each year thereafter, a contribution of any size will be accepted on the Yahrtzeit day.
